

Sacrament Preparation Attendance Policy

Attendance at all sessions is expected. If a child is absent from school the day of a session, the family is asked to keep the child home from sacrament preparation. Families must make up any session missed.

MISSED SESSION MAKEUP

If your child is absent, call or email Karen Bushman the day of the session or the Friday afterward. We will work together to schedule a missed session.

Signature on the registration form indicates that you have read and understood this policy.
