

2019-2020 Middle School Service Outreach Sheet

Name: _____

Circle grade: 7 8

As part of our Youth Ministry Religious Education program, students are taught as Catholics to serve others and to go forth and make a difference. For their service outreach, students must research an organization (completing the worksheet) and then serve for a minimum of two (2) hours at the organization they've chosen. On February 21 all middle school students and a parent of each will come together to learn and serve as a community.
